The Alliance for Vulnerable Mission encourages some missionaries from the West to engage in their ministries using local languages and resources.

ALERT We are beginning to make plans to hold four conferences on DEPENDENCY and VULNERABLE MISSION in the UK in April 2015. Conferences are also to be held in Germany in May 2015.

More detailed information including dates and locations pending!

Lausanne recently had a strategic meeting looking at 'Prosperity Theology, Poverty, and the Gospel'. Immediate details arising from this April 2014 event are given here:
