

WORLD DOMINION

The World Dominion Movement advocates informed continuous co-ordinated evangelism to reach everyone at home and abroad. Its basis is belief in the Deity and Atoning Death of the Lord Jesus Christ, the World's Only Saviour, and in the Final Authority of Holy Scripture.

CHRISTIANITY IN ETHIOPIA

send out nearly a hundred missionaries, will enable us, if it be indeed His Will, as we confidently believe it to be, to make this new step, without jeopardizing existing work or delaying further advance in the south and west where the need is also great.

We have no desire to antagonize the ancient Church, but only as He enables us can we bring a blessing to her. Already at Lalibela the chief monk and an army officer, ranking as a colonel, have been deeply touched by the simple Gospel message; they have accepted Bibles and are reading them, and are helping us to distribute Bible portions amongst those who can read.

Experiences on the Russian Borders

In view of the importance of the work on the Polish frontier, which is described in the following article, we think our readers will be interested to read these extracts from a letter just received from a missionary of the Union of the Churches of Christ in Poland.

'At one village, on hearing that we were coming to hold a meeting, a band of men agreed to stone us and cast us out. A girl who had heard their conspiracy came and warned us not to come. Then to my memory came the words of the Apostle Paul: ". . . none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry which I have received of the Lord Jesus, to testify the Gospel of the grace of God." Encouraged by these words, we decided to go. The house was full and overflowing, and among the congregation were those who had plotted to stone us! When they heard the preaching of the Gospel, the Word of God pierced their hearts and some of them cried like little children. At the close of the meeting they all shook hands with us and asked us to come again and preach the Gospel. We sold them several New Testaments and Bibles.

'The Government of Poland is good to us. We believe that the Lord has heard our prayers and laid it upon the hearts of the officials to come to our aid.'

During August Mildmay was honoured by a visit from Dr. Jaroszewicz and ten of his associates. We very much valued their fellowship.
