

# WORLD DOMINION

The World Dominion Movement advocates informed continuous co-ordinated evangelism to reach everyone at home and abroad. Its basis is belief in the Deity and Atoning Death of the Lord Jesus Christ, the World's Only Saviour, and in the Final Authority of Holy Scripture.

## An Appreciation

**D**R. ROBERT G. COCHRANE, son of the Editor, and a trustee of the World Dominion Movement expects to leave in the autumn for India in the interests of leprosy work. Although only thirty-six years of age he has come to be recognized as one of the world's experts on leprosy. In order to serve the Church of Scotland Mission by taking charge of the large Leprosarium at Chingleput, in the Madras Presidency, founded by Lady Willingdon, he is now resigning his Secretaryship of the British Empire Leprosy Relief Association. In addition to this work he has been Editor of the *Leprosy Review*, Secretary of the International Leprosy Association, and Honorary Medical Adviser to the Mission to Lepers.

Dr. Cochrane has travelled in most of the leprosy-infected countries of the world. He has visited nearly all the leprosy centres in India and Burma, and for a time he took charge of the large Leper Mission settlement at Purulia in India. He was invited to lecture before the princes and nobles of Siam, to advise the Government in Borneo and to do special work for the Health Department of Ceylon. He has also lately visited the West Indies as adviser to institutions there. He has studied the work being carried on at the Culion in the Philippines, the largest settlement in the world, and has visited and lectured in Japan, Korea, China and the Straits Settlements.

One of his most interesting pieces of work was his tour of Africa, from Cairo to the Cape. Before undertaking this tour he was received by the Prince of Wales who wished him every success.

Many of those who have been associated with him at Mildmay have felt that his cheery presence was a real tonic, and his love for the souls of men and his zeal for winning them for his Lord has been an inspiration and a challenge. His keenness for evangelization has been very evident in his position as Honorary Secretary for the Movement for World Evangelization, and in all his Government service he has been a wise and keen non-professional missionary.

Mildmay has much to thank him for, and he may be assured of the warm regard, and the prayers, of his friends here as he takes up his new sphere of work.
